Dec. Workshops

✓ January 23: A workshop will be held at Toyo Nursery, from 7:00 - 9:00 P.M. This is an excellent month to plant or transplant evergreen trees, so let's see you there.

February 6: Paul Matsusaki will start classes at Toyo Nursery on Tuesday evenings from 7 - 9 P.M. Classes are \$15 for eight weeks or \$2 a lesson. Members of the Bonsai Society are welcome on these evenings to work on their trees.

✕ February 27: We will have a business meeting at 8:00 P.M. at the Valley National Bank, 5041 N. 16th St. to plan the Spring Show. We also will have slides or movies on Bonsai.

March 26: This is our big meeting of the Spring and I would like a large turnout. Lowell True, County Agricultural Agent, will give us a demonstration on budding and grafting. These are important methods of propagating Bonsai that we should all know!

✕ April 16: A workshop at Toyo Nursery from 7:00 - 9:00 P.M. will precede the Spring Show. Take advantage of this date for your last minute Show preparations.

April 20 and April 21 will be the dates for the Spring Show at the Heard Museum, 22 E. Monte Vista Rd., Phoenix. We will need at least 100 trees for a good showing so start preparing your trees now. Bob Schaeperkoetter will be our Show Chairman. We will need help on various committees to turn out a really good show.

May 28: This meeting will be election of officers for next year and planning our annual party. We will also show slides of our Spring Show and, if any are available, slides of the Los Angeles Show.

June 7: We will have a pot-luck ~~cupper~~ supper. Details will be available after the May meeting, so come on May 28 and help us plan.

Looking forward to seeing you at all of our coming meetings!
